YOUTH MENTORING

MAINESTAY
YOUTH & FAMILY SERVICES

Big Brothers Big Sisters and Maine Township are proud to present a new opportunity to our community's future leaders—our award-winning MaineStay Mentoring Program! We are currently expanding our program to offer select youth ages 8-12 the opportunity to be matched with highly-skilled adult mentors, many with extensive work experience in medicine, business management, and human resources.

Matches meet twice a month on Tuesday from 6-7:30 pm at the Family Resource Center (9000 Capital Drive, Des Plaines) and participate in a variety of fun, diverse activities and field trip experiences. This is a unique opportunity for youth to build leadership skills that will **enhance their self-confidence, social skills, and academic achievement** to help shape them to become future leaders in today's modern society.

This program is FREE for participating families.

For more information or to apply online visit mainetown.com/mentoring or contact Derrick Hessler at 312-207-4248 or hessler@bbbschgo.org.
