Auditorium Theatre of Roosevelt University

Run Time 18:27

This 20-minute mini-tour, hosted by Auditorium Theatre CEO Rich Regan, includes highlights from the full-length in-person Historic Tour. The Auditorium Theatre, designed by famed architects Louis Sullivan and Dankmar Adler, opened on December 9, 1889, and declared a National Historic Landmark in 1975. Historic Tours take patrons behind the scenes and view it as few do. The tour includes legendary accounts of how and why the theatre was built; stories of the many artists who graced its historic stage; and a closer look at the brilliant 24-karat gold-leafed ceiling arches, hundreds of Sullivan's beautifully restored intricate stencil patterns, the stained-glass muses at the entrance, and murals by Charles Holloway and Albert Fleury.
